Edmond Schools' Middle School STEM Camp 2017

This summer will be Edmond's first summer STEM camp for middle school! What is STEM? STEM stands for Science, Technology, Engineering, and Math.

What will we be learning and exploring? We will be working with computer coding, app creation and game design, robotic design and application, forensics and the ins and outs of crime scene investigation to include fingerprinting and DNA extraction, flight and parachute design, chemistry of cooking, the science of espionage (spying) and much more!

Who can attend? This camp is for next year's (2017-18) students enrolled in 6th through 8th graders.

When is the camp? June 19th through the 22nd at Cimarron Middle School from 9am to 12pm.

How much does it cost? The camp cost is \$80, plus \$5 for supplies.

You can **fill out the attached enrollment form** or find one on the Cimarron Middle School website under STEM Camp 2017. We hope to see you there!
